WHY CYCLE?

Cycle for a Cause is a four hour cycling event that helps to raise funds for the Y's Annual Campaign. The Y provides all individuals and families an opportunity to participate in quality programs regardless of their ability to pay. Last Year the YMCA of Greater Westfield served close to 4,500 families, adults and children. Through our financial assistance program we helped over 1,200 families and children and provided over \$215,000 dollars in scholarship. With your support, the Annual Campaign ensures that the YMCA is there for those who need us the most. Your generous donation helps us fulfill our mission and vision every day. With a commitment to nurturing the potential of every child and teen, promoting healthy living and fostering a sense of social responsibility, the Y ensures that every individual has access to the essentials needed to learn, grow, and thrive regardless of their ability to pay. Every dollar raised goes directly to providing financial assistance.
