READY... SET... SUMMER! CHILDCARE

Summer is a time for kids to be kids and Y Summer Programs are the place to make every precious summer day a great one!

SESSION INFORMATION

The program runs on weekly sessions. Sign up for a single session or the entire summer. The last session will be limited to participants who have participated in previous weeks of the program on a first come, first serve basis. **Programs run 7AM - 6PM Monday through Friday.**

At the Y's Summer Program we believe that children should have a place to explore their interests and talents. Our curriculum is based on the YMCA core values of Caring, Honesty, Respect and Responsibility. Fun is in store this summer with daily activities featuring, Sports, Arts & Crafts, STEM, Swimming and More!

Days will be filled with: Fun activities to engage brains. Opportunities to explore, develop new skills and try new things. Plenty of physical activity and games to keep bodies active. Children develop new friendships and have tons of fun in a safe environment.
