WHY CYCLE?

CYCLE FOR A CAUSE is a four-hour cycling event that helps to raise funds for the Y's Annual Campaign. Through Annual Campaign funds, the Y provides all individuals and families an opportunity to participate in quality programming, regardless of their ability to pay.

Last year alone, the Y served over 6,000 families, adults, and children. Through our financial assistance program, we helped over 1,200 families and children, and provided over \$215,000 in scholarships.

With your support, the Annual Campaign ensures the Y is there for those who need us most. Your generous donation helps us to fulfill our mission and vision every day. With a commitment to nurturing the potential of every child and teen, promoting healthy living and fostering a sense of social responsibility, the Y helps every individual gain access to the essentials needed to learn, grow and thrive. Every dollar raised goes directly to providing local financial assistance.
