

**YMCA of Greater Westfield – Camp Shepard  
Sunscreen Policy and  
Application Permission Slip**

YMCA of Greater Westfield – Camp Shepard requires written permission from parents/guardians in order to assist campers with applying sunscreen.

It is the parent/guardians' responsibility to apply sunscreen to their child before releasing their child to the care of Camp Shepard. Please send in sunscreen (labeled with your child's name) in your camper's bag each day. If your child has sensitivity/allergies to certain sunscreens, please be sure to note this on the health and wellness form.

When necessary, a counselor will assist each child that may be unable to personally apply his/her own sunscreen. When a child needs such assistance, the counselor will apply sunscreen on only the exposed parts of the child's skin. Children will be requested to apply sunscreen along their suit lines. Also, the counselor will only apply sunscreen while another counselor is present.

As parent/guardian, I give Camp Shepard Staff permission to assist my camper in applying sunscreen.
