THE YMCA of GREATER WESTFIELD KEEPING YOU INFORMED DURING COVID

Our Y is working hard to keep you safe during this difficult time. Along with cleaning, other health and safety precautions, and following state guidelines, we coordinate with the local Board of Health (BOH).

We rely on the BOH whenever we are aware of someone being positive for COVID. The BOH focuses on their four areas of responsibility which are:

- Testing
- Contact Tracing
- Enforcement (quarantine, closures, etc.)
- Public messaging

The BOH will develop the necessary action steps to help limit and stop the spread of the virus. We will follow their direction. The YMCA cannot disclose any other information to the public or its members. The Y coordinates with the local BOH which will guide the YMCA in their efforts to reduce the risk of spreading the virus.
