Here are a few pointers.

1. Please have your child ALREADY dressed in their swim suit on the morning of swim.
2. Please dress your child in clothes that they can easily take off and put on themselves.
3. Please dress them in slip on shoes if possible, but NOT flip flops. Crocs are allowed on this day ONLY.
4. If possible pack an extra pair of underwear and socks in a Ziploc bag.
5. Pack a plastic grocery bag for the wet suit and towel.
6. If your child swims twice on the same day. Please send an extra dry suit and towel for the pm class.

These few things can make our swimming transitions run quickly and smoothly.
