**Reserve the space you want for fall 2019-2020  
Our 62nd Year of Educating Children**

Developmentally appropriate state curriculum as well as STEM and fun activities that include YMCA preschool swimming lessons through certified swim instructors, dramatic play, cooking, a physical education class conducted by a license physical trainer, field trips, and more! The program also includes music lessons from an experienced music instructor with two performances a year and many more opportunities to learn and grow. Teaching staff are certified and qualified by the Massachusetts Department of Early Education and Care. Registration for the 2019-2020 school year has begun!
