

RENEWING OUR STRENGTH TOGETHER

LIVESTRONG®
FOUNDATION

LIVESTRONG at the YMCA is a free 12-week exercise program for cancer survivors who are currently in or have completed treatment and are physically deconditioned. Developed by Stanford University, this specially designed program has proven to help survivors regain strength, overcome fatigue, and enhance functional ability to do everyday tasks. Our Y is committed to serving individuals and their families living with, through and beyond cancer.

Session 14
