"Our girls have been going to Camp Shepard for years, starting when they were four and six. My husband and I love it because at camp our girls stay active, both physically and mentally, all summer long. They spend their days outside learning about teamwork, building confidence and in nature. They come home dirty, tired, and happy. Our girls love it because of all the exciting daily activities, funny counselors, and the friendships they develop."

Camp Shepard Age Groups

YMCA Camp Shepard consists of children between the ages of 4 and 14. Campers are placed into Units based on the grade they are entering in the fall as well as their age. They are then further divided into small groups within the unit maintaining counselor to camper ratios per our DPH license. Units are not just age groups but small communities that demonstrate pride and camp spirit.

VIKINGS: Ages 4, 5, 6 • Grades Pre-K, K, 1

This program is especially designed for the younger camper and maintains a 5:1 camper to counselor ratio. All campers in this group will participate in activities specially geared to their age level. Their experience mirrors the same activities as the older groups, participating in swim lessons, recreational swim, arts and crafts, ropes, kayaking, nature, sports, at an age appropriate level. We also build in longer transition periods, story time and activities specifically designed for our youngest campers.

SPARTANS: Ages 7, 8, 9 • Grades 2, 3, 4
& TITANS: Ages 10, 11, 12 • Grades 5, 6, 7

Programs for this age group are designed to achieve a balance of instruction and recreation as well as group development and individual accomplishment. Emphasis is placed on cooperative learning and the YMCA four core values: Caring, Honesty, Respect, and Responsibility. Campers will participate in fun and challenging activities that meet their individual interests, abilities and needs. The goal is to have each camper have a sense of belonging, make new friends, achieve new goals and have fun.

TEEN LEADERS: Ages 13, 14 (co-ed) • Grades 8, 9

Campers in the Teen Leaders Group participate in camp activities at a higher skill level. Special projects, trainings and activities such as mountain biking, hiking, high and low ropes adventure are included in this fun and challenging teen program. This program also involves developing leadership skills, including communication, decision making, conflict resolution and more. With a focus on the YMCA's Core Values of Caring, Honesty, Respect and Responsibility, group members will develop skills through teambuilding challenges, individual values exercises and group discussions. During their last years as campers, our staff will balance fun, personal development and leadership exercises to ensure all campers have the best summer ever! It's the last year to enjoy camp as campers while starting to make the transition toward greater responsibility.

“My five year old will be returning for his second summer this year. Camp Shepard is a place I went as a kid, so I was excited to send my kids there. My son love the outdoors, swimming, arts and crafts and the total outdoor education experience. He loves to have fun, get dirty and has made many friends at Camp. The counselors are great and we couldn't be happier to send him back this summer!”
